DETAILED ACTION

1. Claims 46,47,53,55-57 are rejected under 35 U.S.C. 102(b) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over Bock et al (4,831,092).

The claimed terpolymer is shown in columns 7 and 8 of Bock et al. The value of y, which corresponds the claimed (meth)acrylamide, monomer (c) most preferably ranges from 25 to 94.8; x, which corresponds to claimed monomer (IV) ranges from 0.1 to 20 mole percent. In regard to claim 55, the ranges in Bock et al overlap the claimed ranges. Note that Q corresponds to the claimed cationic quaternary ammonium bearing monomer. Note also that the new limitation that R_8 and R_9 in formula IV are each propyl or isopropyl is met by Bock et al , column 7 where $R_1 = C_4$ branched alkyl = isopropyl and $R_2 = C_3$ = propyl. Thus, Bock et al anticipates the claimed invention and in the case of claim 55, overlapping range. If there is any difference in the substituents of the cationic monomer, such difference would have been obvious.

Response to Arguments

- 2. Applicant's arguments filed 2-28-2005 have been fully considered but they are not persuasive. The arguments are based on the Bock et al more preferred embodiment in which R_1 is more preferably C_6 to C_{22} rather than the merely preferred embodiment of C_4 to C_{22} linear or branched alkyl. It is not seen how a more preferred embodiment is a teaching against an embodiment that is merely preferred.
- 3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Application/Control Number: 09/674,201

Art Unit: 1731

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peter Chin whose telephone number is (571) 272-1186. The examiner can normally be reached on Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Steven Griffin can be reached on (571) 272-1189. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
